I am Malquis Mason SBI# 506146. I am returning Civil Action Authorization with my signature on there. I will just like to say or rather ask is there another way or less money I can pay? I am still in prison and I have to buy my soap, ~~deodorant~~ deodorant and other hygien products. My only source of income was from my mother which is now in prison and my uncle which don't send me nothing. So if we can work something out mainly a lesser price for the filing fee I will appreciate it. If not I will just call the lawsuit off since I can't afford it. Thank you for your time and hearing me out write back and let me know.
